STATUS INQUIRY
AND

REQUEST FOR WITHDRAWAL OF ERRONEOUS NOTICE OF ABANDONMENT

Sir:

On October 24, 2001, Applicant filed a Request For Withdrawal Of Erroneously-Issued Notice Of Abandonment (hereinafter "the Request") in the Patent and Trademark Office, requesting withdrawal of the Notice of Abandonment dated October 10, 2001, in the above-identified application. As was noted in the Request, the Notice of Abandonment stated that the application has been abandoned for failure to timely reply to the Notice to File Missing Parts mailed January 31, 2000, which set a two month shortened statutory period for response. However, Applicant timely filed a Response to Notice to File

Missing Parts of Application -- Filing Date Granted in the Patent and Trademark Office on February 18, 2000, along with a Combined Declaration And Power Of Attorney For Patent Application executed by the inventor, and the surcharge fee of \$130.00, as evidenced by the copy of the return postcard bearing the Patent and Trademark Office's official stamp of receipt, filed with the Request.¹ Applicant notes that the stamped return postcard is *prima facie* evidence that the mentioned items were timely filed in the Patent and Trademark Office, and that the present application therefore was not abandoned. However, to date, Applicant has not received any indication that the Notice of Abandonment has been withdrawn and the present application returned to pending status.

In view of the foregoing, the Patent and Trademark Office is respectfully requested to advise Applicant as to the status of the present application, and also is respectfully requested to withdraw the erroneous Notice of Abandonment, and return the present application to pending status.
